

WWGA Business Meeting
7/26/2011
M-Bar-C Ranch

Call to order- 7:10

Minutes were approved from last week.

Jenna will email about how much money the club has after all the receipts are in from prizes.

Chelsea and vickie are planning the clinics. Kristy, sam and cliff will do a clinic on a friday night. Friday august 5th 5-9pm we will have a clinic at the fairgrounds for anyone. 12 people total going to have 4 people per event.

Jenna went to the leaders meeting to talk about the rocks in the arena and the road. 4-h gave \$100 towards paying for the rock picker. Also hope put some money towards the rock picker also. For the 4-H trail clinic to be in the clinic you have to pick a box of rocks in the arena. We need to find away to drag the arena without dragging the road also so the road rocks can pack down and then they wont be dragged into the arena.

O-Mok-See meeting again on August 2nd 6:30pm at the clover patch. Sam has 2 judges confirmed for O-Mok-see, still needed a 3rd. Going to pay the judges \$100 for the weekend. We have gotten a lot of people signed up and also more people have called and emailed about forms. Jenna is going to get timers for o-mok-see and still need a announcer. Jenna is going to find another person for the computer. The 4D barrel race for voting to make it a 4D brand sactioned event, tabled till next meeting. Vickie has all the awards ordered and paid for. \$5,419 in prizes saved about \$2,000.

Year-end awards are all figured out but waiting on money to pay for them. For the august show high points will be money. Vickie suggested a 50/50 raffle for the 2 day show to make money for year-end.

Meeting Adjourned at 8:03.
