Treasures report \$8600.82

Saddles are paid and ordered for. July prizes are ordered.

Old Business- Vickie hasn't nailed down any clinic as of yet. Sam and Kristy might do one. Talked about doing clinics on friday nights since wwga has the arena already. Had the o-mok-see meeting last week. Going to have another one mid july. Talked about what to do for year end awards and dinner. Either have a dinner after the last show or have a potluck. Nicholle, chelsea and liz are going to plan the awards dinner. Virigina Elam is going to do the spegettii feed for o-mok-see. We still need to get items for the silent action. Ideas for people to donate stuff. All the money will go to the wwga member prizes at the end of the year. Need to make sure that not all the prizes are on island because alot of people are from all over.

Jack Mcphee did the rock picker on the arena and it looks great. Next time 4H, and wwga is going to split the cost for the rental. Unfortunately at the next show the drag brought in alot of the rocks from the driveway.

During the quarantine the fair board spent \$1200 on the rocks in the driveway, Jenna sent a email and letter to them about other ideas re do it because at the last 4H show it made some horses lame. Jenna got a email back and Sandie said that wwga and 4H will have to do it all because scott and the fairboard have enough to do. If we do it we will have to have a plan to make it the best. Cliffs is going to ask his dad to go by and look at it and tell us what is the best way. Jack volunteered to move the rocks from the entrance to the arena to the drag won't bring the rocks back into the arena.

Jenna is going to teach liz how to work the computer. Also Sharon Edwards has been wanting to help do something to help with wwga.

Meeting adjourned at 7:48
