## O-Mok-See!!!!

It's coming up fast!!! All the forms are on the website and we encourage you to download them and send them in soon. We will have forms available at the shows also, and to those that don't have e-mail I will send out entry's via snail-mail!!!! The barrel race Friday night is independent of the O-Mok-See and you need to send in a separate check as well as your O-mok-See check. We will be having a lot of random drawings for great prizes as well as the regular age group prizes.

## Worker Points

This system seems to be working great with the exception that you-all want to get your punch's right off the bat. WELL--- we do need to spread out the work force a bit. Try to spread yourselves out so that we have enough rakers thru-out the show. It sure has been great seeing everyone out there helping. Thank-you from the board!!!!!! Just be sure and turn in your punch card before barrels so that your name will be in the drawings for the show prize drawing for raker cards.
