NEW FOR 2008

The raking punch card is working great!!!! We've had lots of help with the exception of the last event, I know we're all tired and ready to go home but please do the right thing and help to the end. We love you!!!!

We are still in need of office help during the shows with timers and announcers. Any one interested please contact Holly Fairbrook.

Camping During the May 2 day show was on the honor system and you people that hooked up to electric and water or just dry camped should have put your money in the pay box. If you didn't please see Holly Fairbrook so she can collect for the fairgrounds and keep WWGA out of Hot Water with the fairboard. (which we are in)

Please do not ride your horses down on the midway. (Any area below the parking south of the arena.) There was horse doo left there and again we were reprimanded by the fairboard

NEW Club Website

The website is up and running and Richard Consulting is doing a GREAT JOB of handling all the updates and the general setup. O-MOK-SEE forms will be posted soon, In a few weeks. Show results are there and more

Pictures are always welcome. E-mail them to loryz@whidbey.com

One more thing, Just a GIANT THANK-YOU to Klaas and Sally. Just so you all know , the day after our shows they come back and clean the restrooms, mop the floors and sweep out the entire building. Please try and keep the mess to a minimum and Thank them!!!!!!

TRAINING CLASS

The training class is a very useful tool for schooling your horse. However to keep the show from running way to long please run the pattern only once and use your judgment on what would be excessive time used. .

Scholarships will be available this year for High School and College students or any continuing education students. Applications are posted on the website or contact Denise Boyett
