September 2 day show- low numbers, talk about having some more 2 day shows next year so out of town people will come for a weekend. Also talked about putting the throw out show back in.

Got an email from Rachel from SCWGA on comments on how we can change our club so people will come, by shorting our season or throw out show, faster events because the day can go later in the day on a school night. Going to table this idea till the new year for the new season.

Suggested we have a box for comments for next season at the year-end party.

Going to have to have a meeting before Jan to set show dates.
